## Cable News

### MONEY FOR LOCAL HARBOR

(Associated Press Cable)  
WASHINGTON, Jan. 13.—Acting upon the recommendations made by the war department, the house yesterday passed the special appropriation of \$225,000 for the work in the harbor of Honolulu. The appropriation, it is understood, becomes available immediately upon signing of the contract for the deepening of the harbor channels.

## Over-Night FEDERAL Wireless To the Advertiser

The steamer Uranium, which terminated her voyage from Rotterdam by piling up on a rocky reef ten miles from Halifax, in a fog yesterday, remained fast today, with Captain Eustace and crew aboard, but with all the 830 passengers safe ashore at the immigration station here.

The steamer is stuck bow on with seventeen fathoms of water under her stern. The bow plates are ripped and No. 1 hold is filled with water. The vessel's position is only a few hundred yards from the lighthouse at Chebucio Head, where the keeper declares he was blowing his fog horn when the vessel struck.

The United Kingdom was swept Saturday and Sunday by heavy gales and snowstorms. There have been many wrecks of small craft and coast shipping has been damaged. Vessels arriving in port felt the full fury of the storm and some of them are badly scarred.

Dr. C. J. Richardson, who examined William Rockefeller, the oil magnate, at Miami, Florida, for the house money trust investigation committee, to determine if the millionaire was physically able to give testimony, made his report today. Chairman Pujo will not make it public until after it has been presented to the full membership of the committee.

The officers in charge of navy recruiting stations throughout the country have been ordered by the navy department to assist the naval militia as far as practicable, rendering them aid in their work and giving the officers and men instruction in matters pertaining to the navy and naval service.

Maj. Gen. Leonard Wood, chief marshal of the inauguration, day parade, has received word from President-elect Wilson that the latter has determined upon the Essex Troop of New Jersey Cavalry as his personal escort March 6.

President Taft today sent to the senate the nomination of Col. George P. Sorven, of the United States Army Signal Corps, to be commander of the Signal Corps, succeeding Brig. Gen. James Allen, who retires next month.

Secretary of the Navy Meyer today stated that he might be a candidate for the United States senate from Massachusetts, if the Republican caucus could not determine upon a selection from candidates now before it. He expressed the wish, however, that the nomination be settled by caucus.

The Times correspondent at Constantinople says that a national assembly will be summoned to decide on peace or war. If it decides for peace, the cabinet readily can accept the allies' conditions, but if for war the ministers can take the grave decision with greater confidence.

Several sharp encounters, in all of which the federals were victorious, have been reported to the Mexican government from various places in the state of Guerrero, but most stubborn opposition has been met with along the west coast, where four towns—Tecam, Attoyaca, Arsenal and San Genonimo—are unofficially reported to have been taken by the rebels.

The first formal move toward making the United States naval station at Guantanamo, Cuba, an impregnable outpost of defense for the Panama canal, was taken up today, when orders were issued designating a board of officers of the army and navy to visit Guantanamo immediately.

The function of this board will be a close inspection of the surroundings at Guantanamo and a comparison on the ground of the facilities for defense as shown in the elaborate plans prepared by the joint board upon data furnished by the army and navy war colleges.

The date for the marriage of Miss Helen Miller Gould to Finley J. Shepard, of St. Louis, has been definitely set for Wednesday, January 22, it was said by her friends today.

The ceremony will be performed at Miss Gould's country place in Tarrytown, at noon, and will be witnessed only by a small gathering of relatives and intimate friends, including some of her old neighbors in Tarrytown and Irvington.

TO CURE A COLD IN ONE DAY  
Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box.

PARIS MEDICINE CO., St. Louis, U. S. & C.
